- Seed mission projects not covered by other ministry grants

Previously, the Reformation Offering Accomplished...

45% provided additional training and education for current district members and new ethnic leaders and people groups.

» DEBT REDUCTION - LOAN FORGIVENESS

30% helped to encourage our newest church workers with debt relief assistance.

» MINI-GRANTS & SCHOLARSHIPS

25% supported hands-on care projects, outreach mini-grants, and short-term mission trip scholarships.
