

Reformation Offering Bulletin Blurbs 2023

(Please use the bulletin blurbs below for four Sundays leading up to Reformation Sunday.)

Bulletin Blurb #1

The 2023 Reformation Offering, "Faith for a New Generation," allows the CNH District to equip leaders of the next generation. Together we provide:

- Financial support for new church leaders
- New education and updated training for church members
- Special mission project funding for unique outreach opportunities

Our gifts encouraged people like Pastor Terry Chan, currently serving at Christ for All Nations in San Francisco. With the assistance from the Reformation Offering, Pastor Chan was to complete a Doctor of Inter-cultural Studies.

DCE Kayla McGowan, who serves at Our Savior in Aiea, HI, was also able to pursue a Master's degree in Organizational Leadership at Concordia Irvine... ***It is always about JESUS!***

Bulletin Blurb #2

The 2023 Reformation Offering, "Faith for a New Generation," allows the CNH District to equip leaders of the next generation. Leaders receive travel grants to attend continuing education events that show them new ideas and possibilities to carry the Gospel into all the world.

Our gifts encourage leaders with limited financial means to deepen their mission knowledge as they witness to the next generation. ***It is always about JESUS!***

Bulletin Blurb #3

The CNH District stretches through Northern California, Nevada, and Hawaii. Here we have innumerable opportunities to connect with people of every race and creed.

Previous Reformation Offerings have provided education funds for Jacob Eisinger and Steven Tomac, who are currently serving as SMP Vicars in Nevada. Both have been able to grow and continue their education based on support from your offerings. ***It is always about JESUS!***

Bulletin Blurb #4

Have you ever wanted to give a boost of encouragement to someone who is doing selfless and sacrificial Christ-centered work? Since our last collection Pastors and teachers were able attend different conferences and educational courses. Many were also able to reduce their school debt as a result of our Reformation Offering gifts. We thank God for their gifts and talents as they share Jesus with those in their community. ***It is always about JESUS!***
