In 2022

To Be Held At:

Aiea, HI, Jan. 15

Elk Grove, CA, Jan. 29

Menlo Park, CA, Jan. 30

Visalia, CA, Feb. 12

Sparks, NV, Feb. 26

Target Attendees

ALL ARE WELCOME!!

Because this seminar focuses on a personal level, the content is applicable to lay leaders and professional workers alike.

Things have changed a lot in the last 20 or so months of the Covid-19 pandemic. It seems like a good time to reexamine relationships and habits of times past in light of our recent experiences. In each seminar there will be opportunities to:

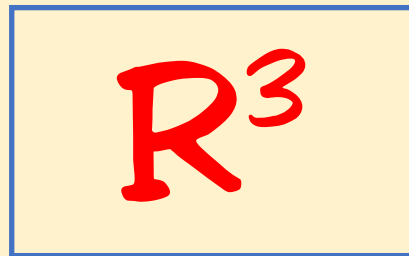

Renew and deepen the relationship with our God who has remained unchanging in an ever-changing world.

Re-form practices and habits for wellness as we learn strategies for godly self-care.

Reconnect with fellow workers in the Kingdom as we learn together and then share insights with our families and congregation.

The Rev. Dr. Darrell Zimmerman, who speaks with humor and relevance in an engaging way, is the speaker for these seminars. He is the Executive Director and CEO of Grace Place Lutheran Wellness Ministries in St. Louis, MO. He has been instrumental in developing the Congregational Wellness Weekend and Ministry Team Wellness Workshop.

Guiding texts:

Ephesians 4 - (Put on the new man)

Be kind, tenderhearted, forgiving

Galatians 5 - (Fruits of the Spirit)

Love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control

Grace Place Wellness Ministries nurtures vitality and joy in ministry by inspiring and equipping church workers to lead healthy lives. A Lutheran Wellness Wheel was developed to teach a model of self-assessment for church workers to help them answer the question, “How am I doing?” and to help them develop strategies for self-care.

Dr. Zimmerman will lead us in considering three categories of wellness:

1. Life with God (Baptismal and Spiritual Wellness)
2. Life in Community (relational, intellectual and emotional wellness)
3. Life in Ministry (vocational, physical, and financial wellness)

He will teach a simple biblical model for self-assessment and the beginning steps for addressing personal wellness needs.

Be Well!
