"MY SOUL THIRST FOR THE LIVING GOD. WHERE CAN I GO TO MEET WITH GOD?" - PSALM 42

Dear CNH Congregation,

The CNH Jr High DYG (District Youth Gathering) is an opportunity for middle school students to gather with middle schoolers from other churches in our district for a weekend of worship, games, fun, new friends, and connection with Jesus.

The Jr High DYG will be June 24-26 at William Jessup University in Rocklin, CA.

This year our theme is "Reset". It will be an opportunity to disconnect from the craziness of life and reset with Jesus.

As we take time to set aside phones and technology, we will gather together and consider Psalm 42, especially verse 2, "My soul thirsts for the living God. Where can I go to meet with God?"

We hope you and your 6th-8th graders will join us for this summer at the Jr High DYG! We can't wait to hang out, have fun, and meet with the Living God together!

See the following page for more details about how to sign up!
